

The Friends of the Dunsmuir Community Pool Asks:

# The Pool Needs Your Help!

After being closed due to COVID restrictions, the Dunsmuir Community Pool needs your financial help to...

- **Help with pool operating costs**
- **Help with pool maintenance costs**
- **Help with lifeguard & pool staff salaries**
- **Help boost our Pool Bucks Program**

Last year, the Dunsmuir Recreation & Parks District lost a significant portion of the revenue it normally gets from facilities rentals, pool rentals, and pool admission fees.

In spite of those losses, the District is opening the pool this year because serving the children and adults in the greater Dunsmuir community is its pride and passion.

Please help with a donation of any size.

Make checks payable to:
